

## **NEW CHILDREN'S PRESS TO LAUNCH IN NZ**

**From April 20, 2017**

**We are delighted to announce the launch of OneTree House, an exciting, lively and fiercely independent publisher and marketer of quality literature for children and young adults.**

**New titles will publish under the imprint OneTree House, while UnderLeaf Press will publish specialist projects.**

**Publishing industry stalwarts and founders Christine Dale and Jenny Nagle say:**  
***"We are committed to searching out and fostering the best of New Zealand's writers and illustrators of children's books, from pre-school to high school. Our goal is to produce well-crafted works, that are destined to be classics of the future, and promote them to New Zealand and the world."***
